FURNITURE FREAK

Dear PURELY 18,

I don't know why I keep writing you, as all it does is eat up valuable stroking time. Still, I feel like good work should be commended, and your June issue was packed with it.

The finest work? Renee! She's a work of art, a piece of ass, a diamond-in-the-rough—heck, you know what I'm trying to say, you guys have the fancy writers. All I know is that Renee is gorgeous beyond even my overactive imagination, and that in my imagination she and I have gone carnal probably a hundred times, and I just got the magazine in the mail four days ago (not that I'm counting)!

Now I have a real question: What do you do with the furniture after the photo shoots? Maybe you guys do all the photo shoots at the girls' houses and it's their furniture, I don't know, but I would love to own a piece of the history. To own the animal skin couch where Renee exposed her mini-perkies and rubbed that snatch with its perfect landing strip? Oh my! I'd never leave home again!

MJ
Macon, GA

Dear MJ,

If you're going to be a Renee-obsessed shut-in all we can say is thank goodness for PURELY 18 home delivery! It's true that we do frequently photograph these girls in and around their homes, and they might frown upon our removing everything they've touched. Couch or no couch, we can all agree on Renee's incredible adorability.

JULY IN JUNE

Dear PURELY 18,

At first I was confused looking at the pics of July getting nailed in your June issue. July in June, I wondered, what will they think of next?! Then I went through a sort of Who's on First? routine in my head, but I won't bother you with the details of that. (Heck, you guys probably don't even know what that is, but when I was young it was the avant-garde of comedy.)

Anyway, July, who appears in your June issue, is my summertime love. She's so gorgeous and who doesn't flip for a girl in pigtails? And that body, the small, suckable breasts, that little tuft of pubies above her perfect pussy. I must admit that

GEORGIA
& JANA

I gave her my ejaculate conception before the guy did—she got my load during the blowjob! Of course I went back for more later, but I still don't think I've been able to hold back through the entire layout. Still, being an older gentleman, I'm just happy that young July can get me up and off three times a day. Good girl!

Barney
Canton, OH

Dear Barney,
It's always good to hear from the older gentlemen in our audience. We believe that as one grows older, so does the appreciation for the finer things in life, and what is finer than freshly-minted 18-year-old girl? Nothing, we say, nothing at all.

JONESIN' FOR JANA & GEORGIA

Dear PURELY 18,
You gotta tell me honest, yup, is it hopeless? Is this man insane for believing that Jana and Georgia (surely you remember these two super-hotties from the June issue!) would take me for their own if only I could see them in person, yup, have them for five minutes alone, I just know they would take me home and do whatever it is girls like that would do to a guy like me.

Hopefully it would be similar to what they were doing to each other in P18. I think I could sense true love there in the way they handled each other, yup. The passion for pussy, the spirit they show when handling each other and just the way they look dreamily and lustily at each other. And the double-dildo—that's probably the greatest thing I've ever seen! It's so friggin' hot, yup!

I guess my question is, Where do I find them? Like I said, I know they'd accept me if I could just track them and tell them that I am 100 percent theirs for the having, yup. If you have a schedule for them and their home addresses, please publish them in your magazine.

Clark
Lewiston, ID

Dear Clark,
We're pleased that you enjoyed the layout with Georgia and Jana, they are most lovely. As much as we would love to put the girls' home addresses and full schedules in the magazine, some of the ladies don't appreciate it, always going on about "personal privacy," and we can respect that. We do suggest that you keep an eye on the schedules of local strip clubs and consider attending the many fan shows that happen throughout the year. You never know who you might meet and what might happen!

HOT FOR HUNNI

Dear PURELY 18,
I didn't know I was such a dreamer until I saw your June Teen Dream centerfold and covergirl, Hunni. Wow! Shazam! Etcetera! Hunni is a honey of a hottie, a hottie of a honey, and so on!

I've spent more than a week contemplating her origins. She has some sort of exoticness going on, but I can't quite pin it down. After I figure it out I'm going to return to meditating on her sweet rack, which, near as I can tell, is absolutely perfect.

I hope you don't think this is weird, but I really loved her boy-type underwear. I have to wonder what happened with them after she autographed them. I suppose they're sitting in the top drawer of one of you fat cats back in New York City. I hope you appreciate them and love them the way they should be appreciated and loved!

I also wonder when those pictures were taken and if she's getting her braces off soon. I'm sure she's anxious to get them out, but I think they really add something to her prettiness. Think of your smile, Hunni, keep them on as long as possible!

Trevor
Lansing, MI

Dear Trevor,
You're right on Hunni, she is a sweet something! We don't want to go into detail, but let's just say her undergarments have gone to a very good cause. As for her braces, we're not sure when they're scheduled to come off, but we think she's absolutely perfect with them, but we'll still give her the time of day when they come off!

Lena

SWEET, YOUNG GIRLIE-GIRL

Lena Nicole is one foxy, young blonde. She's a real girlie-girl, very feminine, and loves to play with her pretty panties. And we love to watch! When Lena's all alone, she takes her beloved vibrator, and applies it to her delicious vag for the most erotic, tingly sensations. Oh Lena, we wish we could be there to provide a real flesh-and-blood human vibrator, so you can throw that fucking thing away!

*What goes through the mind of a young girl is fascinating fodder. Each month, **Purely 18** gives you a private look at the most personal of a young girl's thoughts, her diary. This time around, we examine a week in the life of Alissa, a curious 18-year-old, as she ponders her world of . . . what else . . .SEX!*

A Young Girl's Diary

Dear Diary,

I know I spent the whole winter telling you how this was going to be the greatest summer ever, and now I can tell that I was right!

Last summer sucked because I was busy getting my boobs and still had those clunky old braces filling my mouth and making me talk like a retard. This summer I'm making up for lost time!

First conquest: Marcus. Remember last year when he said that he'd stick his dick in my metal mouth but he was afraid of getting hurt? Well I made him live up to his word when I tracked him down at the mall last night. I saw him by the theaters and took him outside to a corner where there aren't so many lights. He was like, "I can't believe you even remember that," and I just told him to shut up and drop his pants.

He couldn't get them down very fast because he was already hard, and his dick flopped up and down when it finally popped out. I was totally surprised at how big it was when I saw it. It has one of those banana curves like, well, like a banana! So when he got it out I grabbed it and stroked him really fast and he kinda reeled back and then I put it in my mouth and kept jerking it while I licked and sucked the head. And then he gushed into my mouth. He was like all sorry and said that had never happened and I just said I liked it and gave him a big French kiss and walked away. I turned around when I got to the corner and he was standing there with his pants around his ankles all slack-jawed like some yokel. I can cross him off the list!

> "I stroked it really fast and then I put it in my mouth and kept jerking it while I licked and sucked the head. And then he gushed into my mouth!"

Dear Diary,

Remember how mad I was when Ron said he would never sleep with me? I saw him at the pool today and boy did he change his tune! I was wearing my new blue bikini and it barely holds my "girls" in and I could see him gawking from the second I walked in. I bet it wasn't two minutes before he was standing at the foot of my chair telling me how good I look now. I thanked him and promptly opened up my magazine and ignored him.

Later I got in the pool and saw his buddy was staring at me and I motioned him to come in. He did and when I knew Ron was watching I started kissing him and stuff. The guy seemed pretty surprised, but that was just the beginning. We swam over by where Ron was sitting and then I

reached into the guy's swim trunks and jerked him off while we were all talking! When he came all the white jizz floated to the top and right about then Ron was coming to get in the pool and I moved aside and told him to jump in right where all the cum was floating and he did! I swear he still had some of his friend's cum in his hair when he left! That'll teach him to be mean to girls!

Dear Diary,

Remember all those love letters I got last fall? I always suspected they were sent by Juan since he's the only guy I know who can actually write a full sentence. Even though I'm not really attracted to him I wanted to thank him, because I think that was a real nice thing to do, especially at a time when some people were calling me ugly.

I found out Juan got a job at the library, so I went there three times this week. Finally I saw him and we talked a little. I whispered that I was looking for books on S-E-X because I wanted to learn and he was real professional about it and took me to the section. He showed me some good ones and then he was really respectful and left me alone.

A while later he came by my table and asked how it was going. I said all right, but there were still some things I didn't understand. I said I didn't get why girls were putting penises in their mouths when they were obviously meant to go in the vaginas. He said that he heard some girls quite liked putting penises in their mouths and that he'd read that spit was a really good lubricant, which apparently can help during sex. I said that sounded silly, but I'd be willing to try.

I stayed there reading all day and at 4 he came over and said he was going home. I said I should be getting along, too, and would he mind walking with me? He said that would be fine and we left together. While we were heading down Horizon Avenue I started asking him all sorts of sex questions and I was pretty sure that he'd heard a lot about sex but had never really had it yet. I thought this would be perfect, since we're both virgins, we should totally do it together. I asked him if he was going home and he said yeah. "Are your parents home?" I asked. He said they both worked and wouldn't be home for a couple hours. Then he asked me if I wanted to come over and watch tv.

He's so cute, he got us some snacks and sodas and brought them out on a tray. I was going to "accidentally" spill something on my skirt just like in the movies, but I didn't want to get stuck doing laundry for real. Instead I asked for a tour of the house and saw my opening when we got to his sister's room. She's a couple years older and off at college or something, but we're about the same size. There were some clothes stacked up on a small table and I grabbed a blouse off the top and asked him if he thought I would look good in it. He said "Yeah, probably," and I said there's only one way to find out! I took off my t-shirt and then turned to him and said, "Do you like my bra?"

His face was white as a sheet, but I didn't mind. I said, "Here, I don't think the blouse is supposed to go with a bra, can you help me get this off?" He just stood there gaping, so I walked over and turned around so he could undo it.

He fumbled around for a minute then finally figured out the latch. I turned around and his eyes about popped out of his head when he saw my tits. "Do you want to touch them?" I asked, guiding his hands up to my snowy globes. He groped them awkwardly and I told him to just be gentle. "If you don't know what to do," I told him, "the books say you should softly suck the nipples." He gulped hard and I think he gasped for breath a little, then he bent over and sucked on my left nipple.

His mouth wasn't leaving my tit anytime soon, so it was easy to lead him over the bed. When we got over there I pulled his mouth away and said, "In those books you showed me the guys were always licking girls' special spots," here I pulled up my skirt and pulled off my panties to show my little bush. "Do you think you'd like to do that?" He gave me an overwhelmed "Uh-huh" and then he dove straight down there and started licking me all over. I don't know how it was supposed to feel, but I sure liked it. Then I pulled him away and said, "My turn," and I unzipped his pants and pulled out his wiener. I sucked on it just like Marcus the other day, but Juan didn't cum right away.

After I sucked it for a while I said, "I guess it's all lubricated now so you should probably stick it in my coochie." I laid down on the bed and spread my legs real wide like I'd seen in the pictures and he just kind of laid on top of me and slowly got it inside. They hadn't mentioned in the books how good it felt, which is crazy because it felt amazing! Why would they leave that part out? Weird!

Well we made love for about 10 minutes and then he started shaking and grunting and I knew already that meant he was cumming. I didn't want to get all preggers so I pull his cock out and it spewed everywhere, big arc-ing whiteness that reached all the way to my neck. (They didn't mention that in the books, either, but maybe I didn't read that far!)

He told me afterwards that it was his first time, and I said it was mine, too. I didn't mention the love letters, but I like to think that sharing my virginity with him was a pretty decent thank you. I told you this would be the greatest summer ever, and it already is—and it's only been a week!

FUCKIN' AROUND IN SOUTH BEACH 2

Story By Acme Andersson

FUCKIN' AROUND IN SOUTH BEACH 2
FEATURING RUBY KNOX
Red Light District
CLUBREDLIGHT.COM
ALSO STARRING TORI BLACK TATIANA ANGELINA ROBYN LEE
DIRECTED BY JUAN CUBA

THERE ARE SOME PLACES that just scream sex, and South Beach is one of them. So if Juan Cuba and his boys Mark Wood and John Strong are going to leave Porn Valley, the Florida hotspot is the obvious choice.

And it was a brilliant choice.

Sure, they could stick around Southern California and screw babes all day long, but it's also nice to get out and track down some fresh meat. Out of their element a bit, the guys had to hunt for pussy for a change, and what pussy they found! Led by Ruby Knox, a captivating young brunette, the girls of FLA were both stunning and incredibly sexual. Tori Black, Tatiana, Angelina, and Robyn Lee round out the roster of sweet teenage damsels. South Beach has never looked so good.

TORI BLACK

Ht: 5′ 9″
Wt: 130
Guy: John Strong

It's raining in Florida, but lovely Tori doesn't have any trouble finding something to do. She's more than happy to hang out around the hotel sucking and fucking John—and letting Juan capture it all with his camera.

She gives a beautiful blowjob, big brown eyes looking up as the cock fills her mouth and slips deep into her throat. "It's my favorite thing to do," she says in a rare moment when she's come up for air. "Nothing turns me on like having a hard cock in my mouth." Except maybe stuffing that cock in her pussy.

John doesn't need to show her where it goes. She happily climbs on top and guides that long, spit-lubed schlong into her front door. She rides him for a minute, then presses down hard, grinding on John, whose cock has disappeared completely into the teenager's fresh gash. "Mmmmm yeah," she moans, "you like that, don't you?" John answers by thrusting harder.

He gets on top, Tori reaching around her spread legs and pulls her pussy open, her cunt lips fully awake and protruding slightly. They grip his cock as he enters, seeming to suck it into her hole. "You gonna make me cum again?" she asks him. "You like 18-year-old pussy, don't you? I'm gonna cum again!" With this she clenches her teeth and her body stiffens then convulses, lets out a series of "Mmmmmm yeah!"s, with John pumping her hard all the while.

She takes cum as well as she gives it, rushing to her knees in anticipation of John's white load. She takes it in her mouth. She walks to the window and shouts, "I just got fucked! And I swallowed, too!"

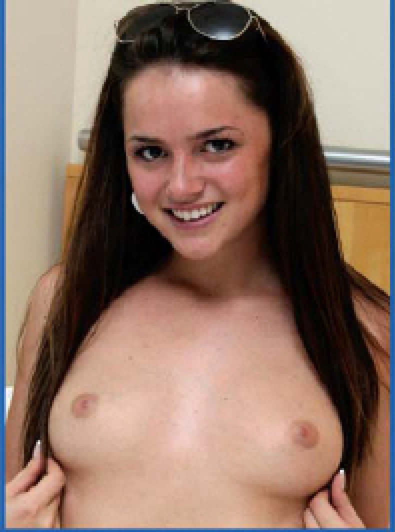
She certainly did.

TATIANA

Ht: 5′ 2″
Wt: 109
Guy: Mark Wood

When Juan can't find his pal Mark on the beach, he heads back to the hotel room.

Ruby Knox gets Mark Wood's cock!



We'd love to fuck around in South Beach with Ruby Knox and (top to bottom) Tori Black, Tatiana, Angelina, and Robyn Lee!

Mark is there, and he's not alone. He's discovered the joys of 18-year-old Tatiana, and he won't be leaving soon.

She's cute and full of spirit. Her body is adorably ripe, her young tits full and her ass large and firm. She sucks tremendously, her mouth taking his rod in generous gulps and occasionally swooping down to suck on his balls. When she peels off her bra and panties Mark tells her how fantastic her tits are while fingering her snatch. Her moistness is audible as he diddles circles on her clit. Then he instructs her to get on top of him and she lowers down easily and immediately they fuck ferociously, her sweet ass shaking as her pussy does the taking. She cums quickly, with Mark whispering kind instruction, "It's okay, let it go, I've got you."

She pauses momentarily then jumps back into action, riding his cock as her tits dance in Mark's face. He reaches through and plays with her clit, triggering another explosive orgasm. "Oh goooood!" she screams. "I love your fucking cock!"

Mark turns her over and rims her ass

while rubbing his cock against the bottom of her feet, then he climbs up and rams her doggie. “Oh,” he tells her, “I can feel you squeezing that dick!” She pushes her ass higher into the air and screams, “Fuck me! Fuck me!” He pumps and pumps and then gets off to dump his white load in her mouth. She opens wide, looks straight up at him and giggles girlishly. She swallows his load and Mark finally tells Juan to get out of the room so he can fuck her again in private.

RUBY KNOX

Ht: 5′ 5″
Wt: 115
Guy: Mark Wood

Ruby is the cover girl and she’s so nice, they put her in twice. And she is worth every second.

Mark and Juan are trolling Lincoln Road when they first spy her. They circle around her for a while, admiring her from afar before they swoop in for a hello. They are pleasantly surprised to find Ruby is friendly and open to hanging out, so they go back to the hotel room to put on their bathing suits. Needless to say, the clothes come off, but the swimwear, well, forget about the swimwear.

Ruby is talking to the boys when she notices that Mark has something going on inside his pants. She asks if she can check it out and he says yes. She pulls his hardness out of his trousers and works it most impressively both with her hands and her mouth. They ask to see her body, and she quickly drops the dress. She’s naked underneath and the sight sends Mark reeling. He wants her on his dick, and she’s happy to ride.

She gets on reverse cowgirl, her marvelous body looking perfect for the camera. She rubs her twat as she bounces, a devious glimmer lighting up her pretty eyes. She turns around for a traditional cowgirl, her wonderful round ass jiggling as she rides his long wand. Mark puts his hands around her waist and lets the girl do all the work.

When finally she lets him up, he bends her over the railing and fucks her as the unknowing masses lounge at the pool and on the beach below. Wanting a little more privacy, Mark takes her inside and drills her missionary, Ruby hanging on tight. She curls her body up so she can watch his dick penetrate her puss, and that’s all she wrote for Mark. He pulls out and she drops to her

knees and he blasts her with not one but two loads of his jizz.

ANGELINA

Ht: 5′ 5″
Wt: 122
Guy: Mark Wood

Mark and Juan head back to the beach and even though it's a hot day, it's pretty quiet. They run into Angelina a couple times and the second time they don't let her slip away. She says she's done with the beach, so they ask her if she wants to hang out. She does and they do.

They go back to their hotel room and Angelina is impressed with the view. The guys like the view, too, that's why they're following her everywhere they go. She enjoys the attention and soon Mark's cock is at attention and in Angie's tight hole—neither of them even bothering to go through the oral ritual.

Angelina spreads her legs wide, exposing a completely smooth vag with lips sticking out slightly. Mark asks if he can fuck her harder and she moans that he can. In her ecstasy she struggles to keep her eyes open, but she is unquestionably present, telling Mark, "I love that dick! It feels so good!" Mark turns her on her side and pumps her harder. He holds her legs together, making her pussy even tighter than it already is.

They finally break so she can suck his cock, and she does it slowly, savoring every inch. He digs it, but he's anxious to sink the pink into her girlhole again, so he invites her to get on top. She jumps on and rides him high and hard. He asks her if he's fucking her too deep, but she assures him that it's okay. They resume and he unleashes.

All this fucking gets her working up a thirst, so Mark quenches it by dropping a big load on her pretty little face. She licks his prick clean and breathlessly tells the boys she had a blast. Yeah, a blast of jizz!

RUBY KNOX & ROBYN LEE

Robyn Ht: 5′ 4″
Wt: 130
Guys: Mark Wood & John Strong

When the guys last saw Ruby, they told her they hoped they'd see her again, and a couple days later Juan bumps into her and a friend on the beach. He invites them up to the room where Mark and John are hanging around watching tv. Turn off the tube, boys, the ladies have arrived!

Ruby heads straight for John, while Robyn checks Mark out. It doesn't take long before the girls are naked and, moments later, slurping on the guys' johnsons. Then they get a little train going, with Mark fucking Robyn doggie while Robyn licks Ruby's hole and Ruby blows John. Then the guys sit opposite each other and the girls ride cowgirl, big cocks sliding in and out of the teen coochies.

Robyn then decides to get fucked by Mark, sprawling out in a chair offering her snatch to him. Ruby simply turns around, pulls her legs back as far as they'll go, and lets John ram and cram her from below. It's a chorus of moans, the boys taking the bass while the ladies go tenor. When they move to the bedroom, things get even more intimate, the girls kissing and touching each other as they get nailed. Eventually one of the guys calls for the old switcheroo. The girls stay in place, right down to their spread legs, while the guys exchange chicks.

In the end the girls find themselves kneeling on the floor next to each other, kissing lightly as the guys hold back their spewing. When it's finally time, John shoots his wad in Ruby's mouth, then Mark blasts his cream-filling right onto Robyn's mug. Ruby steps in and licks her friend clean and they both hug and smile. Another beautiful day fuckin' around in South Beach.
